

LED Multi-Function Signal Light

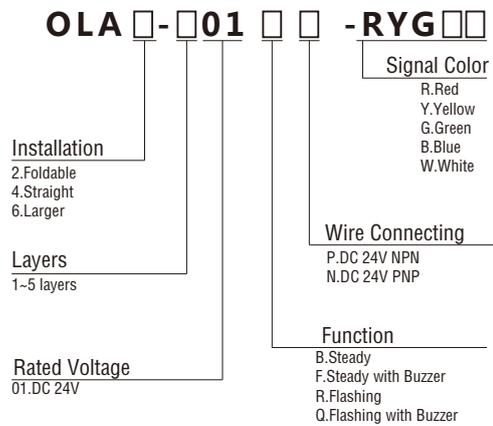

OLA Series

Features

- Efficient LED multi signal lamps meets the various needs with competitive price;
- High bright LED improving the visual performance of long distance;
- With red/yellow/green color led improving the color recognition effect;
- Easy installation and dismounting;
- The lamp body is made of high quality aluminum,with good thermal and shock resistance,it looks more modern and it is collapsible;
- The lampshade is made of transparent PC ,with good function of thermal and shock resistance.

Model No. instruction

Note:The standard length of the wire is 360mm/440mm,if the customer need other length when ordering,please contact our sales staff.

! warning

- Non-electrical engineer is not allowed to disassemble the product!

Dimensions

OLA2 series	OLA4 series

Signal color instruction

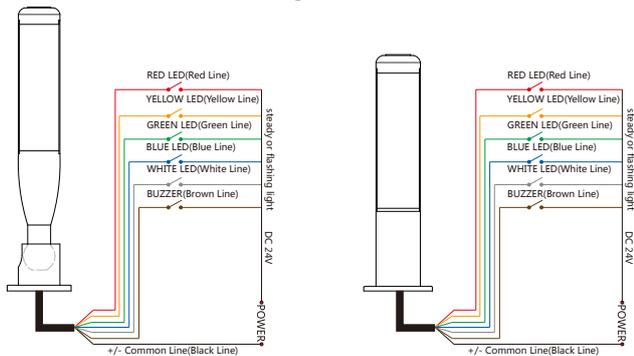

Item	Control	Warning	Status
Red Light	RD	Danger warning	Alarm
Yellow Light	YL	Pay attention to the warning	Prepare for running state
Green Light	GN	Safety tips	Safety operation state
Blue Light	BU	Mandatory intervention	Manual reset
White Light	WT	—	User-defined
Continuant "BBB....."	BZ	—	—

Specifications

Appearance								
Housing	Aluminum alloy							
Diameter	Ø50mm							
Lampshade Material	PC, transparent or ivory							
Nominal Voltage	DC 24V							
Rated Current	0.06A @Red 0.06A @Yellow 0.04A @Green 0.04A @Blue 0.04A @White		0.04A @Red 0.06A @Yellow 0.08A @Green					
Wire Connecting	NPN/PNP							
Protection Degree	IP20							
Light Color								
Sound Source	Buzzer "BBB....."							
Length of Wire	440mm(Standard configuration)		360mm(Standard configuration)					
Light Source	1 color of LEDS		3 color of LEDS					
Working Status	Steady/Flashing							
Application places	Applicable to all kinds of small-size automatic equipment,packing and clear equipment,small-size processing tool, medium CNC machine,processing center,plastic packing equipment,printing machine,lavoralory,precision testing machine,small manipulator,and the place where need to make alarm instruction,such as conveyor belt and heavy machinery.							
Dimmable	No							
Adjustable Volume	No							
Life-span	50000h							
Net Weight Kg	0.55Kg	0.43Kg	0.55Kg	0.43Kg				

※ Customized products are welcome , please contact our staff.

Control Circuit Diagram

Remark: Connect the wire according to the colors if necessary.
