Description ▾

- Heavy industrial combination grinding machine absorbs the low vibrations due to its high weight
- Also suitable for very strong pushing forces on the grinding wheel and brush
- Maintenance-free, durable induction motor with smooth running
- Housing made of cast iron
- Stable, adjustable workpiece support
- Grinding wheel and brush not included in the standard delivery

Multipurpose wire brush

- High strength steel wire available in accessories in various thicknesses

Brush Housing

- Swiveling
- Extraction nozzle for connecting a suction device
